Leopold Zuercher.

Leopold Zuercher, and old citizen of Medina county, ended his life at D-Hanis Thursday afternoon, a Winchester rifle being used as the means of self destruction. Deceased was about 70 years old and it is thought, suffering from the infirmities of old age as well as grief for a son who fell on the battle fields of France, were the prime causes of the rash act.

Now that the fitful fever of life is over may he sleep well.

Child Bitten by Rattle-snake.

Homer, the seven-year old son of Mr. and Mrs. Adolph Pichot, was bitten on the foot by a rattle-snake Friday while at play in the field. Fortunately, the little boy's father was at work nearby and hurried to him. He was carried to the house and a physician summoned and, while for several days the little fellow was very sick, he is now on the road to recovery. The snake was small, having only three rattles.

District Court Adjourns.

The spring term of the district court adjourned for the term Wednesday, and Judge Burney left for his home at Kerrville, going via San Antonio.

The Koehler vs. Dubose et al, case for \$100,000 damages, which was set at the fall term of the court for hearing on April 26th, was again continued by agreement of the attorneys, but no specific date was set for the hearing at the next term.

The first two weeks of the court were quite busy ones, and the docket of the court was practically cleared. There was but one conviction, that being for assault with prohibited weapons. The defendant in this case drew a five-year suspended sentence.

The total expense of the term just closed totaled \$996.00.

A report was in circulation Thursday afternoon to the effect that a nice showing of oil had been struck at a depth of 230 feet in Lane Taylor No. 1 on the Haegelin farm. This, we understand, is the second showing of oil that has been encountered in this well and the promoters and geologist are very sanguine of finding oil in paying quantities when the drill reaches the depth at which it was estimated the oil sand would be reached. The derrick of the Medina Oil Development Co. is up and work is rushing, and the purpose is to spud in a few days, and it is quite probable that before the ides of September it will be definitely known whether or not an oil field is to be developed in this section of Medina County.

MADE BY SCOTT & BOWNE
MAKERS OF SCOTT'S EMULSION

Wallace Heath hid himself to the chapparal last Saturday in quest of a turkey in an effort to combat the high cost of meat, and his effort was crowned with great success. As every sweet has its bitter, of course his dad, Tax Assessor Lou E. Heath, had to tack on to him, but Wallace found him useful as camp keeper, and then, too, it is rather lonesome sitting around the camp fire at night by oneself. Wallace bagged the biggest bird of the season that we have heard of, the gobble that fell to his unerring arm tipping the beam at 15 pounds after being dressed. Wallace had some of his friends to dinner Monday to partake of his success as a hunter. We wish to add here that while Wallace's dad failed to shine as a hunter he was in his element when it came to eating turkey and that his avoirdupois was increased several pounds at the dinner table. Besides killing the biggest turkey of the season Wallace also put a period to the existence of several large rattlesnakes. These venomous reptiles are reported unusually numerous by all hunters this year.

Postmaster Chancey Thursday evening tried to run over an automobile and as a result he is not as handsome as he was and we believe the public will agree with us that he had no beauty to lose. He attempted to ride down the automobile with his bike, but the effort proved a miserable failure. He was rolled around in the dirt, and he suffered a severe cut and bruise over his right eye, but otherwise escaped injury. It is a pretty safe bet that he will not try to run over another automobile anyway soon. However, everybody is glad that his injuries are not serious.

Rain to the amount of .20 of an inch fell here between midnight and daylight Monday morning. In some portions of the county the fall was somewhat heavier but nowhere was the precipitation as heavy as the people wanted. No hail fell here, but the rain was accompanied by hail, but as the hail was small, no serious damages were reported.

IS IT "JUST A COLD"?

Hondo People Should Ask Themselves This Question.

Don't say: "It's just a cold." It may turn into backache, rheumatic aches, achy joints, Or other serious sickness that comes from weak kidneys.

Colds are due to congestion. Congestion makes the kidneys overwork to filter the blood.

Colds often leave the kidneys weak. First break the cold.

Then use Doan's Kidney Pills to avert the kidney dangers.

Let this Hondo resident tell you about them.

Mrs. Hego Schweers gave the following statement May 28, 1915: "I had an attack of kidney trouble some years ago. My kidneys acted irregularly and caused me annoyance, and there were other ailments arising from disordered kidneys. I believe the trouble was brought on from a cold which settled in my kidneys. I purchased Doan's Kidney Pills at Windrow's Drug Store and just a short use corrected the trouble which has never returned."

On May 3, 1919, Mrs. Schweers said: "I have had no occasion to use Doan's Kidney Pills since they cured me four years ago. My back is now strong and my kidneys act as regular as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schweers had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Hail Insurance On Growing Crops.

Are your growing crops insured against damage from hail?

Can you afford to go without a protection which is now so generally taken by successful farmers?

The irony of fate seems to be that the very climatic conditions which bring the rain that makes the crops also bring the hail storms that destroy the crops.

A farmer who has a fine stand of grain is simply playing with fate if he does not protect himself from loss by carrying HAIL INSURANCE in a strong, reputable company.

Biliousness and Constipation.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally."—Mrs. Rosa Potts, Birmingham, Ala.

Mrs. Adele Sauer and Mrs. John Dooley have been chosen as representatives of the local organization to the State meeting of the Parent-Teachers Association next week in San Marcos.—Brackett News-Mail.

For a Weak Stomach.

As a general rule all you need to do is to adopt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.

Miss Emma Sauer left Wednesday morning for Kingsville where she has accepted a position, and will make her home.—Brackett News-Mail.

Do Your Best.

Everyone should do all he can to provide for his family and in order to do this he must keep his physical system in the best condition possible. No one can reasonably hope to do much when he is half sick a good share of the time. If you are constipated, bilious or troubled with indigestion, get a package of Chamberlain's Tablets and follow the plain printed directions, and you will soon be feeling all right and able to do a day's work.

Mr. and Mrs. James A. Rogers, Jr., and Mr. and Mrs. H. H. Reily spent Wednesday with relatives and friends in Sabinal.—Brackett News-Mail.

Suggestions for a Camping Trip.

Buy a bottle of Chamberlain's Colic and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships and at such times and places it is most likely to be needed. The safe way is to have it with you.

Another reason why the romantic cowboy was so merry was because he didn't have to do the milking.

HOW'S YOUR BLOOD? Pimples and Eruptions Mean Bad Blood

People who have impure or impoverished blood should be careful to take only a temperance remedy made of wild roots and barks, such as Doctor Pierce's Golden Medical Discovery is and has been for nearly 50 years. Ingredients printed on wrapper.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the eliminative organs.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and many skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache.

Get Doctor Pierce's Golden Medical Discovery to-day at any medicine dealers, in tablet or liquid form, or send 10c. for trial package to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

SAN ANGELO, TEXAS.—"Dr. Pierce's proprietary medicines have been entirely satisfactory to me in the truest sense of the word. I consider them as being very high-class remedies and the safest that I know of on the market. Myself and family have used them as a tonic after La Grippe, with good results. During the last score of years when we needed a tonic we have used the 'Golden Medical Discovery' always with satisfactory results, also the 'Pleasant Pellets.' My thanks to Dr. Pierce prompts me to write my truthful sentiments."—O. R. WILSON, 802 Koberlin Street.

About Rheumatism.

People are learning that it is only a waste of time and money to take medicine internally for chronic and muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of their varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents.

Bolner-Schmidt.

A beautiful wedding took place Wednesday morning at nine o'clock, in St. Joseph's church when Miss Sylvia E. Schmidt, daughter of Mr. and Mrs. Joseph Schmidt, and David A. Bolner, son of Mr. and Mrs. Antonio Bolner, were made husband and wife. Rev. R. Planchet reading the marriage service.

The groom and best man, George Schmidt, entered then came the maid of honor Miss Rosa Bolner then the brides maid, Miss Mary Schmidt, Mr. Joe Bolner, Miss Annie Bolner and John Qualid, then came little Miss Mildrid Schmidt with a La France Rose bearing the ring; the Matron, Mrs. Willie Ehlinger, then came the bride on the arm of her father and was met at the altar by the groom.

After the ceremony at the church the bridal party returned to the home of the brides parents, where a grand reception was held which consisted of all the brothers and sisters of the brides parents, Mr. Emil Schmidt, Mr. Louis Schmidt, Mr. and Mrs. Mike Finger, Mr. and Mrs. Anton Bohl, Mrs. Katherine Iltis, Mrs. Louis Soltner, and Mr. and Mrs. George Christilles of Lacoste; Mr. and Mrs. Emil Zimmerman of Castroville; Mrs. Gus. Zimmerman of San Antonio; Mr. and Mrs. Jack Biry, Mr. and Mrs. Peter Schmidt of Biry; Mr. Louis Christilles of Del Rio. Numerous relation from Del Rio and San Antonio and other points. At night a party was given in honor of the young couple for their friends. All prepared for their homes about twelve o'clock with the hearty good wishes from their many friends for a wedded life of unalloyed happiness.

Mr. and Mrs. David Bolner will leave for Del Rio Sunday where they will make their future home where the new brick bungalow is waiting for them.—Devine News.

T. ROOSEVELT EXTOLS WOOD

Detroit, Mich., April 29.—In a telegram to Republican voters Assemblyman Theodore Roosevelt of New York calls attention to the serious situation the nation is facing at present. He asks them to make no mistake in selecting their choice for presidential nominee. His statement reads:

"We are approaching the election next autumn of the presidential candidate. We of the Republican party are going to be successful. Rarely, if ever, in its history has the country been in a more critical condition, shaken by the strain and turmoil of a great war, and debauched by eight years of the Wilson administration, we are the prey of violent oscillation of thought.

"The trend given to our actions during the coming four years will shape our country for many decades in the future. We need a man who will combine two principal characteristics. First, the fearless determination to preserve law and order and the ideals of this country—and second, the ability to conceive and put into operation the fundamentals of constructive, sane liberalism.

"General Wood is this man. He is not a man whom we have to take on trust. He is a man with a record which is his recommendation. He has handled the most difficult administrative work with consummate success, as his record in Cuba and the Philippine islands indicates. There he preserved order under trying circumstances with justice and wisdom in such a manner that that order did not collapse when he left but remained as a testimonial of his success there.

"He handled economics in such a fashion that general prosperity and fair dealing contributed to the good of all people concerned.

"Above all, General Wood is a big man. He is big enough to desire to have around him only the best men. He is not afraid that the work of a subordinate will overshadow his achievements. We want Wood at this time."

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

LES FELT AS IF TIED IN KNOTS.

Says "It Is Simply Won-
derful What Tanlac Did
For Me."

Anybody had told me that Tan-
lac would do for me what it has done I
would not have believed them," said
H. H. S., of Knoxville, Ill. "It
was from rheumatism after
years of awful suffering," he
said, "and my stomach trouble
was gone."

was in such bad shape that I
could scarcely digest a thing, and any
time I would give me such cramps in
my stomach that I could hardly stand.
Gas would form and affect my
stomach so that I would get faint and
lie down. The rheumatism
in my legs swelled all out of shape
and my muscles felt like they were
in knots. I couldn't straighten
my legs at all and it pained me
to find no rest. At night it
was especially bad and I simply rolled
over the side of the bed to the other
side to get any sleep. Not being
able to work any more I rented my
house and moved to town. I tried
every sort of medicine I ever
heard of but got worse all the time.

One day I heard some people talk-
ing about how much good Tanlac had
done them and I decided to try it, and
it took hold as I ever did and I am
back to the farm—able to do as
work as I did years ago. If
you want to know about Tanlac
write me."

Tanlac is sold in Hondo by W. H.

DISTRICT MEET HUGE SUCCESS

H. H. S. Comes Out Third Against Extraordi-
nary Opposition—Tony Windrow
Coming Local Athlete.

150 delegates, representing 22 schools, representing 11
counties, assembled at Uvalde on the 16 and 17 of April
and pulled off the greatest Inter-Scholastic District Meet
ever staged there. Running up against such towns as U-
valde, Sabinal, Del Rio, Eagle Pass, Brownsville, Pearsall
and Devine, H. H. S., with only ten students to represent
her in the Junior and Senior field, track, and literary events,
knocked down third position in the highest number of
points—only Uvalde and Sabinal, with entrants in prac-
tically every event, being respectively above her. Hondo's
greater success was marred by the fact that Fillemah, our
fastest sprinter, Lacy and other excellent men were unable
to attend. The Hon Hi competitors who made the trip
were Milton Batot, Red Fly, Martin Hudspeth Robert Ben-
dele, Wallace Heath, Chas. Wilson, Tony Windrow, Joe
Harvey Wilson, Edna Graff and Willie Belle McClaugherty.

Hondo, Uvalde, and Sabinal ran off some Senior track
preliminaries Friday evening. The next afternoon, the fi-
nals in track and field events were staged, and probably the
greatest—at least the prettiest—of all events was the relay.
Uvalde won the race by feet, Hondo being second, and Sab-
inal third. Several H. H. S. Seniors won points in various
races. In the Juniors, Tony Windrow, our only representa-
tive in that class, carried off first honors in the 220-yard
and 100-yard dashes. He also won places in other events,
tying a Sabinal Junior for the highest number of individual
points.

H. H. S. had representatives in four contests of the liter-
ary events. Unquestionably, the greatest victory for our
school was put over by Edna Graff by her winning first
place in the Essay Writing. Joe Harvey Wilson put up
one of the finest speels ever heard in the Junior Boys De-
clamation, but he did not win first place, many hearers be-
ing disappointed in that respect. Willie Belle McClaugh-
erty was finally ejected in the Junior Spelling, after a tight
race. Wallace Heath and Chas. Wilson debated against
Del Rio, and although that town was given the decision by
the judges, it did not represent the outcome, from the stand-
point of many who heard the heated argument.

This meet probably ended our athletic school year, and
although we had hard luck in winning only third place, we
should be satisfied with the results by comparing our school
with its competitors.

We can say that no other school or town could possibly
surpass Uvalde when it comes to being sportsmanlike, for
every possible consideration of hospitality was shown our
representatives and our visitors while over there on track
day.

MUSICAL RECITAL.

Miss Nell Wilson's pupils were heard
in a public recital Saturday evening,
April 24, 1920. The program opened
with a chorus of boys and girls who
were representatives of the third and
fourth grades. These youngsters
were well trained and showed excel-
lent promise for the future. Anne Davis
and Lillian Ulbrich, two beginners in
piano, surprised the audience with
their efforts. A vocal duet by Leora
Horger and Rhoda Mae Taylor was
highly pleasing to the audience and
these little ladies were forced to re-
spond to an encore. Evelyn Finger
and Marguerite Newton showed ex-
cellent training in their piano work,
and Leora Horger also played splen-
dently. A sextet of girls gave two
Dutch songs in costume. The little
clog dance and motions brought out
in these songs were illustrative of a
Dutch dance. Alice Leinweber and
Roberta Hudspeth played two pretty
piano duets after which Joe Harvey
Wilson sang a "Gipsy Maid." Meda
Crow and Elizabeth Fly deserve spe-
cial mention for the musically ren-
dition of their respective numbers. The
technique, pedal work, and general
style of these youthful performers are
well worth mentioning. Mrs. Hen-
derson's "negro minstrel" helped to
enliven the evening. Their costumes,
native color and "Huckle Berry" pic-
nic were a delight to the audience.
Rhoda Mae Taylor played the "Primo"
in a piano duet, "Rustic Dance." A
song of the "See-Saw," with fitting
motions was introduced then by the
little tots from the first and second
grades. The quartet composed of High
School girls was given a hearty wel-
come. Their voices blended perfectly
in "My Isle of Golden Dreams," and
"Lullaby Land," the first soprano and
first alto taking the leading parts.
Pauline Rath played a difficult duet
with Miss Wilson and this was con-
sidered a fitting climax to the pro-
gram. The closing chorus by twenty-
eight boys and girls was thoroughly
enjoyed. A crowded house, appre-
ciative audience, and Miss Wilson's

untiring efforts helped the Mothers'
Club to realize a neat sum of money
which will be used for the good of the
school.

WILSON WINS LOVING CUP.

A committee, consisting of Hans
Rothe, Mr. Merritt, Dr. Smith, Earl
Starnes and O. E. Lacy, was appointed
by the Fly & Mercer Drug Co. for the
purpose of deciding who should win
the silver loving cup, offered by that
firm to the contestant who should win
the greatest number of points in the
County Track Meet.

After deciding upon the requirements
under which the cup should be won,
they voted that Charles Wilson should
be awarded the trophy.

CLASS HONORS.

Last Monday Mr. Howell
called a meeting of the Senior
class and gave them the fol-
lowing important report:
Valedictorian—Edna Graff,
with an average of 92 11-20;
Salutatorian—Chas Wilson,
with an average of 91 19-20.

Scholastic Increase.

According to the count of Scholast-
ic Census Enumerator J. G. Newton,
the Hondo Independent School Dis-
trict shows an increase of 60 Schol-
astics for the year 1920 over the
previous year. His book shows a total
of 258 white scholastics, a decrease of
29 from the previous year; 210 Mexi-
cans, an increase of 64 over the 1919
census; and 38 negro scholastics, an
increase of 10.

Motor Rural Carrier Examina- tion.

The United States Civil Service
Commission has announced an exami-
nation for the County of Medina,
Texas, to be held at Hondo, on May
22, 1920, to fill the position of motor
rural carrier at Hondo, Texas, and
vacancies that may later occur on
motor rural routes from post offices in
the above-mentioned county. The
salary on motor routes ranges from
\$2100 to \$2250 per annum. The ex-
amination will be open only to male
citizens who are actually domiciled in
the territory supplied with mail by a
post office in the county and who
meet the other requirements set forth
in Forms 2121 and 1977. Form 2121
may be seen posted at any post office
in the county for which the examina-
tion is held. and Form 1977 and ap-
plication blanks may be obtained from
the offices at which the vacancy exists
and where the examination is to be
held, or from the United States Civil
Service Commission at Washington,
D. C. The appointee to this position
will be required to furnish, maintain,
and operate a modern motor vehicle
with a carrying capacity of not less
than 800 pounds and a cubic capacity
of not less than 80 feet. Applicants
must file with their applications a
statement of the equipment they will
be able to provide in the event of ap-
pointment. Applications should be
forwarded to the Commission at
Washington, D. C., at the earliest
practicable date.

J. W. Griffin, C. R. Gaines, Jim Fussel-
man and Henry Batot, A. J. Grimsinger
and perhaps others whose names we fail-
to get, will serve Uncle Sam as federal
court jurors in San Antonio next
week. As it is probable bootlegging
cases will occupy a good portion of
the court's time, they may have some
valuable hints to pass on to thirsty
citizens on their return, pointing to a
possible way of breaking the terrible
drouth now prevailing in this section—
we mean the drouth that does not ef-
fect crops.

SCIENCE TALKS

A celebrated scientist referring to cod-liver oil said that
Nature had given the world "almost a ready-made food".

SCOTT'S EMULSION

is richest Norwegian cod-liver oil, elaborated in a scien-
tific manner, very much as Nature wraps up each globule
of butter-fat. Scott's is not unlike cream in consistency,
but many assimilate it easier than they do other fats.

Scott's Emulsion is concentrated nourishment
that helps keep the body strong. Give it a trial.

The exclusive grade of cod-liver oil used in Scott's Emulsion is the famous
"S. & B. Process," made in Norway and refined in our own American
Laboratories. It is a guarantee of purity and palatability unsurpassed.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60¢ per bottle.

FILIPINOS WANT AMERICA TO GIVE INDEPENDENCE

Maximo M. Kalaw Declares U. S. Cannot Consistently Refuse "Self-Determination."

By MAXIMO M. KALAW, Secretary of the Philippine Mission, Author "The Case for the Filipinos," "Self-Government in the Philippines," etc.

"When they show sufficient capacity," "When they are able to govern themselves," "When they are educated enough." Thus run the answers of many Americans pressed with the question as to when the Filipinos should be granted their independence. Now, "ability," "capacity" and "sufficient education"—What do they mean in black

Maximo M. Kalaw.

and white? Senator Shogun may think no people is capable of self-government that does not establish the judicial recall, or that has no Billy Sunday. John Smith of Somerville may think no people is capable of self-government that does not vote his democratic ticket, or go to church on Sundays.

"Capacity for self-government" is as broad and elastic as the world, and if that should be the criterion for the granting of Philippine independence, America might as well say to the Filipinos, "I will give you independence when it pleases me to do so."

Fortunately, the American promise to the Philippines is not based on such obscure and abstract conditions. It is based on a definite, tangible thing. When America, through her Congress, officially told the Filipino people that they would be granted their independence as soon as they could establish a stable government, no abstract or obscure condition was meant. Stable government, according to American usage, means a certain, definite thing.

The United States promised the Cubans the same thing, that "when they have established a stable government, then American troops would be withdrawn." As soon as the Cuban people elected a government suited to themselves, capable of maintaining order and fulfilling all international obligations, there was a stable government in Cuba, and American troops were withdrawn.

When Congress passed the Jones law, it simply borrowed the phrase "stable government" from the Cuban history and applied it to the Philippines. The history of Philippine legislation shows that in black and white. With full knowledge of what it meant, the Filipino people accepted the Jones law and immediately began setting up the stable government required by Congress as a pre-requisite to independence. The stable government is now a fact. It is indeed more than that; it is an undisputed fact.

The official representative of the United States in the Philippine Islands, the Governor General, reported to the American Congress and the administration that "the Filipino people have established the stable government demanded by Congress as a pre-requisite for the granting of independence—namely, a government elected by the suffrage of the people, which is supported by the people, which is capable of maintaining order and of fulfilling its international obligations."

The Philippine question is therefore no longer a question of politics, argument or supposition. To the Philippine mind, at least, it is now a question of whether the United States is ready to discharge its own obligations fully and completely. America went before the world in the recent war as the avowed champion of "self-determination" and Filipinos cannot see how America can consistently refuse to act.

The Filipino people, however, have no grudge or grievance against the American people. Theirs is a message of friendship and gratitude. They seek independence as the natural and logical outcome of America's policy in the islands and of America's solemn promise to them. They come willing to give privileges and concessions not incompatible with their national welfare.

The Filipino people are willing to accept independence under any of the following conditions: Under a League of Nations, guaranteeing its territorial integrity; under the protectorship of the United States for the first few years; under a treaty of neutrality between the United States, England, Japan, France and other powers, or even without any condition whatever—absolute and complete independence. They have no fear of Japan. Philippine independence, in our opinion, is not inimical to Japanese interests. The Japanese are now free to come to the Philippines, but at the present time there are less than 10,000 Japanese in the islands. There are six times as many Japanese in California as there are in the entire Philippine Archipelago.

The Filipinos are willing to take their chance as a nation. Smaller nations beset by graver problems and dangers have taken a more hazardous chance at freedom, and have succeeded.

Unusual Value—In Tires for the Smaller Cars

Not only is characteristic Goodyear merit conspicuous in Goodyear Tires for the smaller cars, but ordinarily the first cost is found to be not greater than that of other tires; often it is actually less.

The combination of unusual value in first cost and very low final cost, of course, is a result of Goodyear experience, expertness and care employed as insistently in the making of 30x3-, 30x3½- and 31x4-inch tires as it is in the construction of the famous Goodyear Cord Tires used on the highest-priced automobiles.

For this reason more cars using these sizes were factory-equipped last year with Goodyear Tires than with any other kind.

Get this unusual tire value to enjoy on your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at the nearest Goodyear Service Station. Get these tires and Goodyear Heavy Tourist Tubes at this station.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag..... \$4.50

Baptist Ladies Give Reception

On last Thursday afternoon the ladies of the W. M. U. Society gave an informal reception in honor of Mrs. Frank Maples of Del Rio, District President of the Del Rio Uvalde Association, at the home of Mrs. Marvin Beal. A large number of ladies were present. Mrs. Maples made a very instructive talk and then answered a number of questions asked by those present. Delicious refreshments of sandwiches, a salad course and tea were served.

LABOR UNITED FOR WOOD

Leaders See Through Attempts to Kill Him Off and He Is Now Stronger Than Ever.

Chicago, April.—The growing enthusiasm of labor for the candidacy of Leonard Wood for president is becoming a more striking feature of his canvass for the nomination every day. Carl Young, president of the Michigan State Federation of Labor, says: "Labor has seen through the efforts of the administration to kill Wood with the labor vote. Efforts to this end were made by sending Wood to Omaha, Gary and the coal fields of West Virginia. The hope was entertained by the administration that Wood would ruin himself with the labor element."

"Instead, Wood by his fairness and squareness and his justice in handling these difficult situations, won the esteem and respect of the thinking element in the ranks of the toilers. He should have labor's support throughout the country."

PROUD OF HIS UNIFORM

Springfield, Ill., April.—Five thousand persons heard the address of Leonard Wood in this city.

"I am here in uniform, with no apologies to offer for that uniform," he said. "Whatever I have done for that uniform," he said. "Whatever I have done for this country, whatever service I have rendered either here, in the Philippines, in Cuba, or elsewhere I have rendered in uniform, whether it has been civil or military service."

"The man who apologizes for the uniform insults the memory of every dead American in France. He is a man who strives to dishonor the memory of every American who has died in uniform since the Declaration of Independence, down to the last skirmish in the world war."
